DATE: 3/22/2016

SUBJECT: Submittal of the 2015 Annual Report for the County of San Luis Obispo. All Districts.

RECOMMENDATION

It is recommended that the Board receive and file the 2015 Annual Report for the County of San Luis Obispo.

DISCUSSION

For the past six years, the County has produced an annual report to help inform the public about some of the activities the County led, accomplishments it had, and challenges it faced.

This year's report focuses on some of the ways the County invested in the community, protected the public, and promoted health and wellness in 2015. A variety of multimedia articles can be viewed in the online report. The County produced videos, infographics, and written narrative, as it had in previous years. But new this year is a printable "Quickview" PDF that provides a snapshot of the annual report for those who want a printable version.

The County has produced an online annual report since 2010 in an effort to enhance communication with the public. Based on feedback from the public and current trends in online communication, the County has continued to publish the annual report online each year.

This year's report is meant to help the public understand how the County served the community with pride to enhance the economic, environmental and social quality of life here in 2015. It can be found at www.SLOCountyAnnualReport.com.
